(a) If any structure shall be altered, erected, placed or maintained upon any lot or any new use commenced on any lot otherwise than in accordance with plans and specifications approved by the Architectural Control Committee pursuant to the provisions of this declaration, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of this article and without the approval required herein. Upon written notice from the Architectural Control Committee, any such structure so altered, erected, placed or maintained upon any lot in violation hereof shall be removed or re-altered and any such use shall be terminated so as to extinguish such violation.

(b) If fifteen (15) days after any notice of violation referred to in (a) above, the owner of the lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same, the association or the Architectural Control Committee shall have the right, through their agents and employees, to enter upon such lot and take such steps as may be necessary to extinguish such violation, and the cost thereof shall be a binding, personal obligation of such owner and the cost may mature into a lien (enforceable in the same manner as a mortgage) upon the lot(s) in question in the following manner: the association or the Architectural Control Committee may record an affidavit of nonpayment of removal or alteration charges in the office of the register of deeds of Tulsa County, Oklahoma, stating, (i) the legal description of the property on which the lien is claimed, (ii) the name(s) of the owner(s) of said property; and (iii) the amount of the removal and alteration charges which are unpaid. The lien shall be created at the time of the filing and recording of the affidavit and such lien shall be superior to all other charges. Liens or encumbrances which may thereafter in any manner arise or be

imposed upon the property, whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage or other instrument, saving and excepting only such liens for taxes or other public charges as are by applicable law made superior.

(c) In the event a lien is obtained pursuant to this declaration and thereafter the removal or alteration charges, plus interest at a rate equal to 7% per annum over the prime or base interest rate charged from time to time adjusted on each day on which there occurs a change in said prime interest rate (provided that the interest rate shall never exceed the maximum allowed by law), shall be fully paid. The association or the Architectural Control Committee shall, within ten (10) days following payment; (i) file with the register of deeds of Tulsa County, Oklahoma an affidavit of payment of removal or alteration charges which created the lien which has been satisfied; (ii) state the legal description of the property affected; and (iii) state the name(s) of the owner(s) of the property. The recording of the affidavit of payment of removal or alteration charges shall fully and completely release the lien referred to in said affidavit, and said affidavit shall be conclusive evidence to any purchaser or encumbrancer or as to any title insurer or title examiner that the pre-existing lien has been fully and completely released and discharged.

(d) In the event of any transfer, sale or assignment of any lot or lots to a bona fide purchaser, and in the event that no affidavit of nonpayment of removal or alteration charges has been recorded as provided in this section 7.7 prior to such transfer, sale or assignment; any such affidavit filed subsequent to the above referenced transfer, sale or assignment shall be invalid and unenforceable.

No violation of the provisions, covenants, restrictions or conditions contained in this declaration shall be deemed to have occurred with respect to the matter for which the variance was granted, and subsequent owners may rely on and shall be bound by the provisions set forth in the variance. The granting of such a variance shall not operate to waive any of the provisions, covenants, conditions or restrictions contained in this declaration for any purpose except as to the particular portion of the property and the particular provision covered by the variance.

In the event any owner shall have entered into a contract to sell his or her interest in a lot and if the contract vendee is in possession of the lot, he or she shall be considered to be the member rather than the owner. There shall be one (1) vote for each lot. But no such provisions may be inconsistent with any provisions of this declaration.

**10.4 Assessments.** All of the lots shall be subject to an annual assessment charge as set forth in section 10.5 hereof, which is due and payable by the respective owners thereof to the association annually in advance on the first day of January in each year. The board may permit the annual assessment charge to be paid either annually, semi-

annually or monthly and shall have the further right to require payment of the same in advance. Annual assessments shall commence upon sale of a lot to the homeowner, or four months after the home built on the lot has been for sale by the builder.

### **10.5 Annual Assessments**

(a) The annual assessment (in addition to sums assessed pursuant to other sections hereof) for the calendar year beginning 2004, shall be one hundred and twenty dollars (\$120) per lot. The board may increase the annual assessment for any subsequent calendar year but such increase shall not be in excess of ten percent (10%) compounded above the maximum permitted annual assessment for the previous year, except as provided in 10.5(b) below.

(b) The annual assessment for any year commencing after 2003 may be increased to an amount greater than that permitted by subsection (a) of this section 10.5 only by an affirmative vote of the majority of the members who are voting in person or by proxy at a meeting duly called for such purpose.

(c) Sub-associations may require additional assessment fees to care for gated and private streets along with associated landscaping.

**10.6 Use of Assessment Funds.** Assessment funds shall be used for purposes as the association shall determine necessary and advisable, which may include but shall not be limited to the following: for improving and maintaining the common areas and other property of the association, including guardhouses, if any; for planting trees and shrubbery and the care thereof; for payment of expenses incidental to the proper operation and maintenance of facilities located within the common areas; for maintenance of irrigation systems; for employing night watchmen; for caring for vacant property; for removing grass or weeds; for street cleaning; for street repairs and street lights; for constructing, purchasing, maintaining or operating any community service; for purchase of insurance; for legal costs and expenses; for supplies and fertilizers; for snow removal; or for doing any other thing necessary or advisable, that in the opinion of the association, is for the general welfare of the owners; for expenses incidental to the

enforcement of these restrictions for the payment of operating expenses of the association; or for any other purpose within the purposes for which the association is incorporated.

**10.7 Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common areas, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of a majority of the members who are voting in person or by proxy at a meeting duly called for such purpose.

**10.8 Lien for Assessments, Fines and Compliance Expenditures.** The association shall have a lien against each lot to secure payment of any assessment, fine, compliance expenditure or other amount due and owing the association by the owner of that lot, plus interest from the date such amount was due and payable at a rate equal to four percent (4%) per annum over the prime interest rate adjusted on each day on which there occurs a change in said prime interest rate (provided that the interest rate shall never exceed the maximum allowed by law), in addition to all costs and expenses of collecting the unpaid amount, including but not limited to reasonable attorney fees. Each owner acknowledges and agrees, by acceptance of such owner's deed or other interest in any lot subject to this declaration, that the lien of

the association for assessments due hereunder, and for all other sums which may become due the association hereunder from an owner, shall be superior to any homestead exemption as is now or may hereafter be provided by Oklahoma or federal law. The acceptance of a deed or other interest to a lot subject to this declaration shall constitute an express waiver of the homestead exemption as against all sums, which may become due the association from the owner of such lot.

**10.9 Successors' Liability for Assessments.** The association's lien for delinquent assessments, damages, costs, expenses, compliance expenditures, attorney fees and all other charges allowed hereunder against a lot shall pass to an owner's successors in title, regardless of whether said obligation was expressly assumed by them, except with respect to the sale or transfer of any lot which is subject to any mortgage pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof.

**10.10 No Offsets.** All assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reductions thereof shall be permitted for any reason, including without limitation any claim of non-use of the common areas or any claim that Declarant, the association, the board of the Architectural Control Committee is not or has not properly exercised its duties and powers under this declaration.

Declarant hereby covenants for itself, its successors and assigns that it will convey by special warranty deed, at such time as Declarant no longer owns any lot, or such earlier date as Declarant shall determine in its sole discretion, a fee simple title to the common areas to the association, free and clear of all encumbrances and liens except any current ad valorem or special assessment taxes. The association shall
